

Christian care in the economy

ADJUSTING TO THE NEW NORMAL

With lockdown finally (it seems) behind us, we are all getting used to a new way of doing things. In the economy there are gaps where businesses have closed, but also start-ups as new opportunities present themselves. With many workers from Europe not returning, there are unexpected shortages of labour and goods.

In this context it is encouraging to see so many of our chaplains getting back to visiting, for which I give thanks. We are planning to be in touch by phone with all our chaplains during September to tell you about our plans for training courses over coming months and the steps we are taking to support, and expand, chaplaincy in our post-pandemic economy. We are particularly keen to encourage prayer support as we get back into gear, plan to continue producing topical material for our website's 'Prayer Portal' and run our monthly online lunchtime prayer meetings. If you have not had a chance to join one of these the next opportunity is very soon. See left for the joining details.

Yours in Christ.

CHARITY NUMBER 514618

FWW supports chaplains
in agriculture and the
rural economy working
alongside the Farming
Community Network
(FCN).

Not only have those in
this industry had to face
the difficulties of the
pandemic, they have
had to cope with a
dramatically difficult
economic climate as the
country adapts to a post
Brexit environment.
Farmers are facing
uncertainty over
workers and finance.

Chaplains have been
unable to visit the
Livestock Market until
recently.

You are warmly invited
to attend the annual
Farmers' Harvest
Service on 3rd October
to show support and to
pray for those in the
farming community.
